- Massage therapy
- Hair treatment lotions / shampoos

## Apricot Kernel Oil

### Prunus Armeniaca Kernel Oil

**Grades: Refined/Organic CP**  
**Pack Size: 5kg/25kg/200kg**

The Kerfoot Group's Apricot Kernel Oil is cold pressed and refined from the dried kernels of the apricot fruit.

Apricot Kernel Oil is very mild natural oil, light in colour with pleasant nutty odour often used in baby products because of its fine gentle nature. The oil is rich in essential fatty acids, making it ideal as a treatment for soft, radiant hair.

Rich in essential fatty acids like oleic and linoleic acid, Apricot Kernel Oil is high in vitamins A, C, B1, B2, B6, B17 and E.

The Apricot Kernel Oil helps skin retain elasticity, clarity, and suppleness. It helps to calm the inflammation / irritation of eczema and dermatitis.
