

Applications

Macadamia Oil is used in a variety of products including body and face moisturisers, massage oils, and also in cooking e.g. salads and dressings, smoothies and drinks.

Macadamia Oil

Macadamia Ternifolia Seed Oil

Grades: Refined/Organic CP

Pack Size: 5kg/25kg/200kg

The origin of the macadamia nut is in the subtropical areas of Eastern Australia. Macadamia Oil is golden in colour, and has a very faint but pleasant, nutty aroma.

Benefits

Macadamia Oil is high in both omega-3 fats and omega-6 fats, with the perfect ratio of 1:1. Because of this, Macadamia Oil claims to have many benefits, such as helping to lower cholesterol, playing a role in the prevention of coronary heart disease, and lowering blood pressure.

It is said to help decrease fat productivity in the body, improve digestive efficiency, and reduce inflammation.
